completed highways under its Operation and Maintenance contracts.

(ix) Widening and improvements of National Highways from 2 lanes to 4 lanes and 4 lanes to 6 lanes etc.

(c) and (d) Provision of assistance in case of road accident is basically the responsibility of the State Government. This Ministry has been providing ambulances to States/UTs/NGOs to evacuate accident victims to the nearest medical center under National Highways Accident Relief Service Scheme. During the period from 2000-01 to 2004-05, 266 ambulances had been given to various States under this scheme. In addition, National Highways Authority of India provides and ambulance at an average interval of 50 kms under their Operation and Maintenance Contracts/Build operate Transfer agreements on the completed stretches of National Highways entrusted to them. 81 ambulances have been deployed on National Highways by National Highways Authority of India.

Apart from the above, the Ministry of Health and Family Wefiare provides assistance to the States/UTs under the scheme of 'Assistance for Capacity Building' for upgradation of emergency services/trauma care facilities in hospitals including those located near the National Highways for the prupose of treatment of victims of accidents.

Conversion of roads in Rajasthan to NHs

972. DR. GYAN PRAKASH PILANIA: Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) the stretches in Rajasthan that have been taken up/proposed to be taken up for conversion into National Highways;

(b) the funds allotted for each stretch during the last three years and the current year update;
